

Mississippi Residential Property Insurance Underwriting Association

Certification of Entrance Barrier

This is to certify that after diligent efforts to place Fire and Extended Coverage (only Fire Coverage for the coastal counties of Hancock, Harrison and Jackson) for the following risk in a duly licensed insurance company, with my office or from facilities of other licensed agents, has been without success. Therefore, to the best of my knowledge and belief the facilities of duly licensed insurance companies for procuring Coverage (Fire and Extended Coverage) insurance to protect this risk have been exhausted.

In an effort to place coverage for the following location, I have contacted the following two (2) licensed insurance companies:

Company 1: _____

Company 2: _____

Location of Risk

Street Address: _____

City: _____

Name of Agency: _____

Agent's Name: _____

Date: _____
